Cool Summer Getaway ASA 101/103 on Lake Lanier near Atlanta

Cool off during the Summer weekends. We are offering ASA101 classes on Lake Lanier near Atlanta, GA. We sail with a Hunter 23.5. These classes are excellent as a base and your introduction to sailing in a safe environment. Lake Lanier is less than an **hour's drive from Atlanta** and is the perfect weekend outing. Contact us for further information

Get ready for Summer Stay at our waterfront townhome while you attend classes!

It has been just over a year since SmarterSail hoisted our sails for the first time and we are grateful for the fair winds that have blown our way. We continually strive to make your sailing experience more enjoyable and cost-effective. We are pleased to announce that you can now stay as our guest at our townhome in St Petersburg, FL for the duration of your classes.

Our townhome has three bedrooms and three baths providing both privacy and time with your fellow sailors and all the comforts to make your stay a pleasurable learning experience. This is a great introduction to sailing with all the luxuries of a hot bath or even the hot tub after an eventful day. We can pick you up or drop you off at Tampa airport or recommend a shuttle service.

Annapolis season opens again!

Everyone is more than ready to hit the sun and waves after one of the coldest winters in a long time. SmarterSail plans to be in full swing by the end of May, So dust off those boat shoes and come sail with us.

Due to the popularity of our townhouse accommodations in St Pete, we would like to do the same in Annapolis this year. Let us know what you think! We are looking forward to seeing you there.
